PROFESSIONAL SUMMARY

Senior Product Designer with a track record of owning complex initiatives end-to-end, from architecting AI-agent developer tooling (MCP) to launching the enterprise XD Library for 1,000+ viewers. Drove self-service adoption from 53% to 96% and cut platform technical debt by ~25%, while using AI-assisted research synthesis to compress research-to-PRD timelines to under 14 days. Trusted to align cross-functional stakeholders and secure $50K+ in program investment for foundational design initiatives.

WORK EXPERIENCE

Senior Product Designer, Developer Experiences August 2026 – Present

Capital One · Richmond, VA · Promoted from Associate Designer, Developer Experiences (August 2024 – August 2026)

- Architected a scalable metadata framework and Information Architecture (IA) for AI-agent server registration (MCP – Model Context Protocol), ensuring seamless discovery for LLM-based tools.
- Owned end-to-end design of the self-service credential and approval workflow for API, App, and Entitlement management, ensuring 100% owner attribution and scaling self-service completion from 53% to 96%.
- Drove platform-wide API governance, reducing dormant/inactive endpoints by ~25% (11,000 → ~8,000) and cutting manual support tickets by 25% via self-service UI configurations.
- Leveraged AI-assisted workflows to synthesize technical stakeholder research into finalized PRDs and proof-of-concept prototypes within 14 days, validating complex backend logic ahead of engineering handoff.

Associate Designer, Research and Design Operations August 2023 – August 2024

Capital One · Richmond, VA

- Launched and scaled the enterprise XD Library (design tokens, UI patterns, WCAG accessibility documentation), reaching 1,000+ viewers within two weeks and growing to 54 new contributions within 3 months.
- Facilitated enterprise-wide HCD workshops for 1,000+ Product and Tech partners, embedding Design within the Product Development Lifecycle and increasing cross-functional partnership maturity.
- Led a Service Design audit through Capital One's Pro Bono program, conducting end-to-end research and stakeholder communication that secured a $50,000 grant for Olaiya's Cradle.
- Mentored design interns and provided consulting strategy services to the Design Development Program, increasing NPS by 103%.

UX Designer, Freelance / Consulting 2022 – Present

- Designed and launched a B2B website that secured corporate rental leasing business for a client; provides informal design consulting and mentorship to junior designers.

Academic Instructor, UC Riverside 2019 – 2023

- Co-led a department-wide certificate program for adult learners pursuing a specialized teaching certificate, coaching 80+ learners and indirectly impacting +60,000 K–12 students across four school districts.

Elementary School Lead Teacher, Riverside USD 2017 – 2023

- Redesigned learning experiences that took students from kindergarten-level reading and math to 2nd-grade level or beyond within a single school year, using technology-integrated instruction.

VOLUNTEER EXPERIENCE

Design Lead, Sasha Bruce Youthwork Sept 2024 – Dec 2024

- Led a team of 6 designers in a Service Design audit of the Independent Living Program, delivering longevity recommendations for continued service delivery.
